PROFESSIONAL SUMMARY

Motivated third-year Computer Engineering student with a strong interest in Software Development, Web Development, and Problem Solving. Skilled in HTML, CSS, JavaScript, Python, SQL, and Database Management Systems. Passionate about building responsive web applications and continuously learning new technologies. Seeking internship and software engineering opportunities to apply technical skills and gain industry experience.

EDUCATION

B.E-Computer Engineering 2026-Present
Terna Engineering College, Nerul · GPA: 8.46 (up to Semester 3)
Learning about software development, database management, and web technologies. Actively involved in academic projects and committed to building practical solutions using modern technologies.

WORK EXPERIENCE

Software Development Intern May 2026 – Present
Syntax Syndicate — Remote

- Contributing to web development projects using modern technologies.
- Collaborating with team members to design, develop, and test software solutions.
- Assisting in debugging, troubleshooting, and improving application performance.
- Participating in project discussions, code reviews, and development planning.
- Gaining hands-on experience in software development lifecycle and industry best practices.

TECHNICAL SKILLS

Programming Languages: Python JavaScript SQL Web Development: HTML
JavaScript Database Management: MySQL DBMS SQL Queries Tools & Platforms: Git GitHub VS Code
Antigravity

SOFT SKILLS

Problem Solving, Teamwork, Communication Skill, Quick learner

PROJECTS

Recipe Finder Web Application | HTML, CSS, JavaScript, MySQL

- Developed a Recipe Finder Web Application using HTML, CSS, JavaScript, and MySQL.
- Designed a responsive and user-friendly interface for searching and viewing recipes.
- Integrated a MySQL database to store and manage recipe information efficiently.
- Implemented search functionality to retrieve recipes based on ingredients and keywords.
- Applied SQL queries for data retrieval, storage, and management.
- Enhanced understanding of frontend development, database integration, and web application design.
